

The Great Art of Life is Sensation (The Risk of Being Tamed) (Volume 1)

The Risk of Being Tamed Series The Great Art of Life is Sensation What freedom does submission offer? Ashton Rhodes bares her soul and describes her journey of surrender through the skilled and capable hands of Hendrix Larson. For the first time in her life, headstrong Ashton Rhodes was not in control. She had all but given up on being properly dominated. Her independent attitude left most men feeling they had taken on more than they could handle. Hendrix Larson however, showed no sign of intimidation when he thrust himself into her life. Dismissing her apprehension, Ashton allowed herself to be lead into a world of absinthe and secret clubs where anything was possible. She was finally submitting to the unknown and was certain of nothing more than one simple fact; Hendrix Larson was not to be disobeyed.
