

What if you had no daily grind, no soul-sucking job, and a few smart, passionate friends to watch your back and split the bills? Could you find a way to make ends meet and then pour every moment into what you really love? Five friends take the plunge to find out. Sushi and her roommate Summer are tired of working dead-end jobs for corporate drone bosses. So when their friend Alex quits his job and his roommate Zen proposes a grand experiment, they rope in their geeky friend Otto and move in together to build a life of art and freedom and tea and scheming. Of course, they still have to make rent, and the evil next door neighbor is hell-bent on getting them kicked out, and Summer may be just a little bit hopelessly in love with Alex. But it should all work out. Right? By turns silly and deep, daring and sweet, *The Dream World Collective* is a cozy romp for anyone who cares about creativity, community, and muffins.

Tous ses desirs - vol. 1 (French Edition), *Bright Stars 3: An Organic Tanka Anthology (Volume 3)*, Orthodoxy (Unabridged Start Publishing LLC), Coralie, Ferocity, One Hundred and One Famous Poems with a Prose Supplement, *King of the World*, *Happiness: Ten Years of n+1*,

The Dream World Collective - The Dream World Collective: A Novel - Kindle edition by Ben Y 5.0 out of 5 stars I read the blurb for *The Dream World Collective* and I knew I was going to be in for a laugh or two, I did not expect to find so many quirky and : **The Dream World Collective (9781943383139): Ben Y** Especially in the Arcades Project, Benjamin developed a theory of modernity as a dreamworld, and a conception of collective “awakening” from this dreamworld **Book Review: The Dream World Collective, by Ben Y.
