

Awakening

Jonathon Carver, a young Puritan school teacher, meets handsome Nathaniel Morgan, master cooper. He comes to recognize the longings he has had all his life as desire for the love of another man, and Nathaniel provides that love. Their love must be carefully guarded, as they live in Colonial America during a time of the call to Awakening of the Puritan spirit. Knowing the penalty for their love is dire, they strive to keep their affair secret. Desperate for a way to resolve their situation, they devise a bold plan which could free them to be together. But can their love for one another overcome the structure of the society in which they live? Or will they be destined to forego fulfillment of their desire and go their separate ways?
