

Marsh Warrior Legend, Vol. 4: The Exile of Stream Song

Marsh Warrior Legend is the most complete and accurate English translation of Shui Hu Zhuan, the Chinese literary masterpiece on martial arts, honor, ethics, and brotherhood. This English edition holds the unprecedented distinction of containing every single line of prose and poetry of all 120 chapters of the original Chinese text. Like the Chinese version, this action-packed and reader-friendly translation has been written in the vernacular, and from the perspective of an ancient warrior.
