

Deep Secrets (Fighter) (Volume 2)

Captain Jillian Markenson had finally retired from the United States Navy. Her life felt complete. She and Mackenzie Walldrum had started a life together, her best friend Michael Ramsey was expecting his first baby, and she was finally starting to let go of the pain from her past. But as every pilot knows, nothing stays the same and things can change in an instant. Will Jill be able to overcome the obstacles and hardships that face her, or will it be too much for her to handle?
