

Blackadder S Christmas Carol

A BBC TV Christmas special plus a comic relief program, *The Cavalier Years*, starring Rowan Atkinson, Hugh Laurie, Stephen Fry, and Tony Robinson. Dickens classic tale of kindness, truth, and virtue is completely ruined by having a member of the Blackadder family involved. Ebenezer Blackadder is a decent, kind, and generous human being until he receives a visit from the spirit of Christmas, who shows him famous Blackadders from the Elizabethan and Regency period, along with his space-age descendant who becomes ruler of the universe. Stuffed with deeply horrible people, and groaning with cartloads of seasonal bottom jokes, *Blackadder s Christmas Carol* manages to squeeze everything into a huge pie of entertainment that will satisfy everyone. And for second helpings, *The Cavalier Years* is set during the Civil War, during which Lord Edmund Blackadder tries to remain faithful to King Charles despite the fact that he s about to have his head cut off by bottom-breath Baldrick.
