

Piano in the Dark

Chase Hidalgo has a good life. He works as a paralegal in his buddy Jacobis successful law firm and has a loving wife, Dawn. Yet he feels unsettled. Like he still has dreams left unfulfilled. When he meets Ava in a bar, she seems to know him, but he has no idea who she is. A spark ignites between them, but intrigued as he is, Chase stays true to his marital vows. But when Ava pursues him, the attraction is too powerful to resist, and a fiery romance ensues. How does this mysterious woman seem to know Chase better than he knows himself? As Ava and Chase spend more time together, his comfy life starts to unravel, and its clear that Ava will soon ruin him. But how can he let her go before understanding their true connection?
