

Fates Interaction: Quaking Souls (Sars Springs Saga Interaction Series 4) (Volume 2)

As a terrorizing earthquake hits the town of Sars Springs, three unlikely men join forces to save the town from further death and destruction. As more aftershocks are felt, buildings and homes crumble, burying most of the town and its residents. Terror and fear are put aside as the survivors fight to find the missing and the dead. Losses of family and friends and the pain felt inside gets put aside, as the focus becomes on rebuilding the town and finding the missing. Will the town ever be the same again? Will the danger of the earthquake and an escaped prisoner cost more lives?
