

The weekend has finally arrived, and Owen returns to find Rick in the pool. After a long, sexy, underwater session, they go inside and explore the wonders of an old gas mask. This is the second story in the Rick & Owen series of one-sitting short reads that explore the relationship between two gay men who are into BDSM, breath play, water play (Aquaphiles), and related fetishes. ***Warning: This 7500 word short story contains some explicit and graphic language. It contains gagging blowjobs, asphyxiation (bagging and drowning), and gay oral sex. It is intended for mature audiences.***
