

Shades of Gay (gay erotica collection)

An urban legend. A cuckold revealed. Time travel erotica. A horny riot cop. Shades of Gay contains four fantastic stories of homosexual lust with a twist. In All Aboard the Man Train fringe journalist Gerald is on the trail of the Midnight Train, an elusive urban legend said to host wild gay orgies every night. He's found his answers, but something compels him on, searching for the train itself - and the hedonistic pleasures that wait within. In Sheriff's Gay Revenge newcomer Martin has been sleeping with Sheriff Potters wife Jenny, and the law-man is none too pleased when he finds out. He offers the young man a choice: leave town, or join his household. Martin chooses the latter, only to find out that he's going to end up Sheriff Potters bitch. In Fucked by the Future brilliant inventor Charles is stunned when his future self comes to call, and devastated when he learns that future-Charles is dying. Fortunately there's a simple remedy that can save them both: sex with an incarnation of himself! In Occupy My Ass Joe runs the wrong way when the cops tear-gas his Occupy protest, and ends up alone in a dark alley with an adrenaline-charged cop. When he's taken down, he finds himself getting inexplicably turned on, and has to make a choice: struggle on or submit.
