

Edna Welthorpe & The Great Escape

This book contains letters written under the pseudonym of Edna Welthorpe. These letters draw on the narratives from the songs from Blur's 1995 album *The Great Escape*. There is an overarching story about Edna's own great escape which is told through the letters. --- Joe Orton (1933-1967) was a successful British playwright. He and his partner, Kenneth Halliwell, wrote several satirical complaint letters under the pseudonym Edna Welthorpe. Blur (1989-2003, 2008-present) are a British rock band. In 1995, Blur released *The Great Escape*, a 15-track album containing many third-person narratives.
