

Iris

It all begins.... Micheals illness wins the war. His body has finally succumbed to the battle and lets his illness win. The floor rises to meet Michael. He lies there unconscious, a trickle of blood slowly flows from his nose. The Family.... The Grandparents Michael and Sarah are the glue that bonds this family so tightly. Their unconditional love for their girls is unbreakable. Even when Willow returns from a summer vacation on a Greek Island with an unexpected but welcomed surprise! They remain a family no one can break. Not even the Mr America with all his money power and exceedingly good looks.

The Best Friend.... Iris packs up her simple life in exchange for the lure of the cold concrete jungle of Dublin. All Iris can see is bright lights and success. Iris takes us on a journey through College life and a promising career path with Mr OGrady & Co. Iris forms strong friendships and acquaintances on her path. Some bonds are for life. Alexandria will always be there for Iris a true friend. Alex has her own journey to undertake. The Lure....Others are more destructive. Callum the handsome American, powerful and unstoppable. He always gets what he wants no matter what the consequences are. Jason will wait for Iris to achieve her goals and return to him. He will always be there for her. An opportunity arises when Iris has to unexpectedly return home; can he hold onto her this time? Those who love Iris will stand back and let her fly no matter how much it hurts. How does it end?....Do they live happily ever after? Who wins? The question on everyones lips is; Will she stay or will she go?
