

You Are My Song (The Carousel Trilogy)

You Are My Song is Book Three in The Carousel Trilogy. The nineteen-fifties. Elvis is wearing Blue Suede Shoes. Country music reigns supreme at the Grand Old Opry in Nashville. But in a small Tennessee town Jamie Logan - a good-hearted young man with a superb tenor voice - stars in his high schools musical theater production and begins an unlikely, almost magical journey that could take him to the pinnacle of the opera world.

The path is far from simple. Jamie just wants to sing. He is ill-prepared for the jealousy, rivalry and politics he encounters on his way. Family crises and even a hate crime also sidetrack him and threaten to undermine his journey. But Jamie has a voice beautiful beyond belief - and the love of a woman who inspires him to believe in himself. His desire to sing becomes his reason for being. Will that be enough?
