

Losing to Life Via Pinfall or Submission

Living self-doubt, sadness and depression? Well so am I! In this poem collection I will guide you through my crazy and sad brain. In hope that it inspires you, touches your heart, disturbs your soul, and makes you think for yourself. You may think because of the title that every poem is about wrestling. That is not the case. I do incorporate many references, but I am not writing this for just wrestling fans. This may be the worst description of a book ever. ENJOY!
