

## Erotic Stories: Bending For The Boss Bundle

Three tantalizing stories from Stacy Wood

**Pleasing My New Boss:** Elle has been fantasizing about her new boss for the last month straight. After a bit of flirting back and forth, she's super excited about having a private lunch meeting with him, but things take an unexpected turn when he proposes something to her that isn't exactly work related. Can Elle please her new boss without putting her job at risk? Or will she just fall hopelessly for his every whim?

**Submitting To The Boss:** Eva Diaz has finally landed the job of her dreams, but when she finds out her new boss is a controlling, power hungry dominant, how could her submissive side resist? In the first part of this series, Eva discovers what it means to truly be submissive and how it feels to be possessed.

**Complete Submission - Part One:** After spending a drunken night at her boss house, voluptuous April accidentally stumbles upon his BDSM Lair. After he catches her inspecting it, she rushes out of his apartment, scared of what might happen next. He shows up at her apartment later wanting to talk about what happened. Will her curiosity get the better of her? Does April have what it takes to be a Sub?
