

Musa Desnuda (Spanish Edition)

Desde pequeña comence a escribir poesias. Cada palabra, cada frase pensada, llenaba mi mundo de una forma magica. Los sentimientos se mostraban ante mi en todas sus facetas; las pasiones, el deseo de la carne, del espiritu, el amor y el desamor. Es asi como nace Musa Desnuda. Te invito a explorar sus paginas para juntos hacer un viaje emocional, lleno de erotismo y sensualidad por los interminables caminos del Corazon.
