

## Only Jody Knows

Only Jody Knows is based on a true story about a girl who disappeared after a series of events in her life in 1900. It is told by a young boy who lived through her disappearance and participated in events to find her. Travel with him as you start at the Sheridan Wyoming County Fair in the late 1930s and flashback thirty years earlier when he lived the adventure. A gold locket, burning torches, bloodhounds, and much, much more are part of this story about Jody. Read it, and enjoy it.
