

Killer Storm

The orderly life of Jo Spence is seldom disturbed, except when she is dreaming. As a Juvenile Probation Supervisor in Duluth, Jo loves her work overseeing a staff of highly dedicated professionals. They guide the youth of the city out of trouble while protecting the safety of the community. When a murderer strikes, Jos job suddenly becomes unpredictably threatening. She is forced to abandon her home in the country to take refuge with close friend Kathy and her partner Donna. Set against a backdrop of the idyllic life led by the women of the Valley, this suspenseful story reveals the inside world of the courthouse, jails, and the criminal justice system. Multiple murders, an attempt to break a gang leader out of a local detention facility, raids, and drug busts contribute to an action-oriented plot. In the middle of this turbulent time in Jos life, her friends set her up with Zoey, a new faculty member at the local university. Their first date turns into a three-day encounter during a record-setting snowstorm. Jo tries unsuccessfully to resist the strong attraction she feels for Zoey, but she is drawn into the most intense affair of her life.
