

LOGO: A Mystery-By-Design Series Book

Logo is the story of Nick McKinley, a logo designer and estranged son of network television president, Mac McKinley. As a favor, Mac asks Nick to come to his midtown Manhattan office to develop a logo for a secret venture. Nick reluctantly agrees. Yet from a seemingly random attack, it becomes obvious that Nick is a marked man. While finding out who is after him...and falling in love with the beautiful corporate attorney Kenna Allen...he is framed for murder, fueled by a press corps that wants to follow a spoiled-rich-kid-gone-bad angle. Unsure of his allies, Nick fights many forces to save his reputation... and his life.
