

Lifes Big Questions Answered by Literature

The magic of words great writers possess can transform even the simplest, most banal situations into the fantastic, adventurous, and wonderful. This book utilizes the ability of great writers to enable us to see what they see, even in the most common of people and situations. Using a vast array of renowned poems and short stories, this book bestows upon us the magic of literature, ultimately answering our lives big, profound questions and compelling us to think about the context in which we live our own lives.
