

Blood On The Rio Grande (Thorndike Large Print Western Series)

Jim Grant, range boss of the Swinging J, was in Lafe Haskins way, threatening the elaborate scheme Haskins had conceived when he had learned that old Joel Collison was moving to the Rio Grande valley. So Haskins planned to kill Grant, and then take his chances with the law -- such as it was. However, Grant outsmarted and outflanked him and cut off Haskins trigger finger, leaving him not seriously hurt but without the power to retaliate.
