

## Death Becomes You

In South Carolina, Travis (Trav) Thomas Jr. is a known cocaine and marijuana king pin. He gives thanks to his father Travis Sr, for teaching him everything he knew about becoming a king pin being that he used to be one his self. Unfortunately, for Trav and his family he missed the lesson on how to protect yourself against demons and a what to do if you double-crossed the Mexican cartel family. Travs mother Sabrina, tried every prayer there was to save her son and his from the devil. She even agreed to take him to St. Helena Island to visit and ask for help from his witchcraft practicing grandmother who was from Jamaica. Trav took his family on a devil-filled roller coaster ride before he lose everything from his parents to his drug business. Eventually realizing that he could no longer fight alone with devil, he gave up his fight.
