

# Guilty Secrets: A tale of bondage, enforced chastity and female domination

Guilty Secrets by Vickie Scott..Keeping secrets from your wife is never a good thing as Mike discovers after Julia discovers his love of bondage, enforced chastity and cross-dressing. From that day neither of their lives will ever be the same as Julia grows in confidence and assurance in her new role as Mistress while Mike has serious doubts about the ever increasing frustration he suffers. He could always safe word and end it all but he loves this new Julia too much for his own sanity. Teased and denied time and time again Mike eventually finds enjoyment in his own frustration and yet that illusive orgasm is never far from his thoughts. This story is for adults only.
