

Clear by Fire: A Search and Destroy Thriller (Search and Destroy Series, Book 1)

Mason Kane was a loyal American soldier and a proud member of the elite Anvil Program-- a group of black ops soldiers who wage war from the shadows. But all that changed when his commander, as a part of a twisted scheme to force Americas continued involvement in the Middle East, ordered an innocent Afghan family murdered. Refusing the order, Mason finds himself on the run, hunted by his former comrades and labeled a terrorist by the country he served faithfully. Relying only on his survival skills and the help of female Special Operations operative Renee Hart, Kane must embark on his gravest mission yet: unraveling the conspiracy that reaches all way to the presidents inner circle.
